Dedication

We are happy to dedicate our yearbook to Ben Caldwell, our valuable Custodian, who has been at College High for 15 years.

Ben, as he is known to most of us, is a friendly, jolly man who can always be found when we want him. His favorite hobby is sneaking a smoke in the dressing room.

Ben has added much to our school days and will be remembered always. Best of luck in the coming years.

Playing a different style of ball this year with no set plays, our teams showed their ability in having good team work and also in using their own initiative.

Though rather short in height they overcame this handicap by exceptional ball handling and accuracy at hitting the basket.

For the first time we attended the Puxico Tournament and brought home a second place trophy, being eliminated by Puxico in the finals.

We also were eliminated in our Christmas Tournament the second game by Puxico. Next year the team will be without the services of Don Grueneberg, Bob Wunderlich, Jim Stone, and Pete Low due to graduation.

We are proud of our basketball squad and feel that they have represented us well during the past season. We congratulate them for their fine play.
